Exterior rated enclosure designed for Graze Compact

The slender Masking Tray provides simple control of unwanted spill light in a seamless package. Designed to accommodate all lengths of Graze Compact, the Masking Tray can be installed individually, combined into longer lengths, or extended from a façade with optional Mounting Arms (3 sizes). Graze Compact Masking Tray can also be combined with the optional Symmetric Louver for added light control flexibility.

- Each Graze Compact Masking Tray End Plate kit includes a left and right end piece and hardware. Combine one Masking Tray End Plate kit with one or more Masking Tray to complete each run.
